This is a petition against judgment dated 8.4.2006 of Sessions Judge, Bhiwani whereby appeal filed against judgment dated 17.4.2004 of SDJM, Loharu was dismissed and conviction and sentence for offence under Sections 279/337/338 IPC was dismissed.

In this case, Mukesh was the injured. Rs.10,000/- as directed have since been deposited for payment as compensation to that Mukesh. The occurrence in this case had taken place on 19.1.1998 i.e about more than eight years back. Petitioner has already undergone imprisonment of about 20 days.

In the facts and circumstances of the case, I find it a fit case, where petitioner should be released on probation of good conduct.

This petition is dismissed with the observation that let petitioner be released on probation for a period of two years for his good conduct on filing probation bonds to the satisfaction of the trial Court. He shall maintain peace and be of good behaviour. The amount already deposited shall be paid to the injured Mukesh as compensation. Probation bonds be filed within a period of two months in the court of SDJM, Loharu.
